Overview

Overview

REI's equipment program provides small manufacturers in the targeted service areas with an opportunity to obtain needed equipment to improve production, profitability and create new jobs.

Equipment Lease/Purchase Program

REI's equipment lease/purchase program meets the needs of manufacturers with fewer than 25 employees. It allows manufacturers to retain and use their working capital for their business. The program is customized and payments are based on cash flow of the business.

Benefits include:

- Fixed interest rate
- Little or no down payment
- Customized payments based on cash flow
- \$75,000 maximum purchase
- Multiple items can be purchased together
- Used equipment is acceptable
- Plant layout and process assistance
- Material and product flow assistance available
- Business assistance
- Access to REI's partnerships and resources
- Equipment is depreciable
- Increased productions capabilities

The process:

Applications are received, summarized and presented to the loan committee for consideration. The average processing time is 2-3 weeks.
